

"Superior Performance"

Larry Hubble was born on October 22, 1921. He has lived in Aberdeen, Maryland for many years.

Larry's bowling career has spanned six decades. He has two 300 games, a 299 and a 298 game to his credit. He stroked his latest perfecto on March 11, 1988 while bowling in the State League at Harford Lanes.

Larry is also well known as the manager of the bowling center at the Aberdeen Proving Grounds where he was instrumental in helping start the Youth Bowling Program.

Perhaps one of our Association's greatest legends involves Larry's delivery of a defective bowling ball into the Susquehanna River from high atop the Hatem Bridge.

In tournament action Larry has been highly successful. His teams have twice won Maryland Bowling Association titles and he has traveled to twenty six ABC National Tournaments.

For his outstanding achievements in the game of American Ten Pins, the Cecil-Harford Counties Bowling Association is pleased to induct Larry Hubble Sr into its Hall of Fame.
