

Jack Tressler or better known by family and friends as “JT” is from Fallston, MD was born on April 7, 2004. He is the oldest child to Jack and Joanne Tressler. He is a senior at Fallston High School and intends to graduate with honors in 2023. He plans to attend college and earn an engineering degree.

Jack has been bowling since the age of 8 years old. He has participated in other sports, but bowling seemed to be the best fit for him. He has bowled in every youth session until he aged out in the summer session of 2022 at Forest Hill Lanes.

He has won league championships in all age groups of youth bowling and in 2017 earned the most improved bowler award which coincided with him switching to become a two-handed bowler.

Jack has participated in the annual Harford/Cecil youth tournaments since 2018 earning 1st place in the Singles Division E/F in 2018, 1st place in Division D Singles in 2019, 1st place in Singles Division D, in 2020 and 2nd place in Division A/B Doubles, in 2021. He also has competed in the Pepsi challenge and although he just missed the cut to advance on it was a great experience.

As much as Jack loves the game and enjoys competing the friendships that were forged throughout the years means the most to him.

Jack hopes to continue bowling possibly in an adult league at Forest
